2. [redacted] Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, who told me that all matters such as DCS briefing for himself and Chairman Nedzi, Intelligence Subcommittee, will be put over until after the Committee and Subcommittee have been formally established. He told me also there is no particular press for the comments on the "Federation of American Scientists Newsletter" column on the intelligence community but that he would appreciate seeing the comments as soon as they are available. [redacted] DCS, has been advised.
